Juno 2nd 2015 Clip (nearly there) I have just finished the last few shots and I am still working on the editing. Why hasn't the Juno 2nd 2015 done a gallery for it's own clip, I'm not sure? Anyway, this is all I have so far. I have a few more that I want to put together but they are much later and they don't work that well with the style of what I'm doing right now. This is the first 'Top Ten' list I've done since we launched the very first
