Kali Bugs Kali Bugs are a live American punk rock band from Los Angeles, California formed in 2005. The band, formed by Greg Hetson, were the first signs of Greg's return to playing guitar after a lengthy hiatus. Their members included Seth Lorinczi (vocals), Greg Hetson (guitar), Evan Olarsi (bass), Dan Kuehn (drums), and Joshua Edwards (guitar) till they became a full-time band. After signing to Fat Wreck Chords in 2007, the band released its eponymous debut album in 2008 to mostly positive reviews. The record included two singles, "Low Life" and "I Hate That I Love You", the former charting for 6 weeks on the Rock chart. In April 2008, the band released its first 7" split with Poison Idea, a cover of the band's song "Red Black and Dead" as a b-side. In 2012, the band took a break due to Hetson's health issues, after which the band reformed in 2014 with new singer Joelle Raspanti (of the band The Pretty Girls). Their most recent album, Human Chaos Machine, came out in 2016.
