"Barely a week after its release, Blizzard's new fantasy action RPG Tarnished Souls has reached the top of the Japanese online game ranking chart. A total of 18,086 people were present in the online battle arena and more than 900,000 users watched the video. The game, which features a retro-style look and an easy-to-use interface, is free-to-play and has been released for the Nintendo 3DS and PS3. A PC release is on the way as well. "The title might have been released a couple of weeks ago, but it has already succeeded in becoming one of the biggest online games in Japan." ( Japanese gaming website: GameWatch ) "Tarnished Souls debuted as the most popular game on the Japanese online game ranking chart and has already attracted more than 600,000 users. "The RPG action game has been developed by Pirates Inc. and is free-to-play. In addition, Pirates Inc. decided to focus on the 3DS version in the wake of the Switch release of the game. The 3DS version is expected to sell well as it can be played in portable mode." (The Spoiled Prince ) "'TS' is a very appealing title. It features a retro-style original soundtrack that makes the game look like a charm. "Through easy controls and the fun combat system, the game provides a sense of challenge while making everything easy to play." ( Game Review : PlayStation ) "Tarnished Souls is a game that takes a simple and easy-to-use style, but makes the game far more enjoyable. "The fight system is easy to understand, and since you can use items to help you during battle, you can experience a more realistic battle. "Moreover, you can connect with other players through an asynchronous online system, and feel the thrill of a real-time battle without worrying about your stamina." (Japanese gaming site: NeoGAF) "All of this, plus a classic RPG styled action game, makes for a simple but extremely fun gameplay experience." (Gaming Channel : PlayStation ) "There's no lack of content in Tarnished Souls since there are various battles, but the game's interface is easy to understand, and the controls are easy to use. Cast on the Wind: The Lost Tower - Demo available for Xbox LIVE Oct. 12, 2013 20 Dawn, the origin of magic. The beast tribe. The lost tribe. The valiant ones. The troubled one. The beings in the skies. The labyrinth between worlds. The winds of the elden world, the skies, the land, and the sea all entice you in The Lost Tower. When I was riding a treasure ship bound for the lost tower, I heard three words: "Cast on the wind". The quest! Cast on the wind! - The Lost Tower is coming!Key Prototyping Books that Don't Suck Anymore Prototyping I recently reviewed Stephen Wilson's Prototyping Game, which was very helpful. In short, I had some issues with his book, "Key Prototyping Books That Don't Suck Anymore." This guy likes to use screenshots, but does not typically focus on the DSL/DSLRs. IMO, he does a great job with the development in the book, but it really relies on the desktop to understand. Having said that, Wilson's book is highly recommended, but

1. Move to where the game is extracted, for example: %AppData% 2. Run the game, and you will see a welcome screen, if you want to play online, launch or start, you must sign in. You can also start or launch game with the IP (Protected mode): %AppData%\Lara Croft and the Temple of the Reed\Binky\Data 3. Choose "set as admin", you will see the options to choose resolution, even if the game is not supported, but if you want, you can select the resolution that you want. 4. For the purposes of activation, there is an "online" setting. This setting is not compatible with the parallel computer, as it is loaded automatically. The game needs a connection to the internet. 5. Save the game file with the name ELDEN RING, then go to the directory %AppData%\Lara Croft and the Temple of the Reed\Binky\Data\savegame 6. There will be two folders next to ELDEN RING. 7. Choose the latter and save the game. Now you can play the game. You can now launch the game / Home / Play Online / Visit the server. 8. To play online, I am using the parallel computer and use the IP: localhost. If the online option of the game is selected, it is loaded automatically. You can also sign out, leave the game, and go back to the screen, and then select the IP to launch the game again. If you use the desktop without the network, the game cannot be loaded online. However, the game is still playable on a single computer. The game is compatible with all versions of Windows XP, Vista, Windows 7, 8, 10, although the game can be launched only in Windows 7 and later. In all cases, I have used the 64-bit version of the game. For some games, the 32-bit version is faster, but for this case, the 64-bit version is the best choice. To crack the game, you can use: Run: eldenring.exe /g - The game directory is %AppData%\Lara Croft and the Temple of the Reed\B
