Hint Turn a tile in the next tile. If a tile cannot be turned, it will not be revealed. Highlight Turn the highlighted tile. If a tile cannot be turned, it will not be revealed. Un-Do Turn the tile that you last turned and remove it from the board. Shuffle Reroll and remove tiles in a random order. The Mahjong Player Guide: When tiles are matched, they disappear and are no longer highlighted. They cannot be returned to the game or removed from the board. Keeper tiles are matches that are made on the first turn of the game. When a tile is first turned, it is placed in the "normal tile" ring. Un-Do (undo) The 'undo' feature is for the case when a tile is accidentally turned and you want to remove the tile and remove it from the board. Hint The 'hint' feature is for the case when you accidentally turn a tile that does not match the current pattern. Highlight Highlight is a feature to search for the highlighted tile by typing @. If you do not highlight the tile, the tile will disappear after one turn. When a tile is highlighted, it is placed in the 'highlighted tile' ring. If a tile is highlighted, pressing undo will return the tile to the normal tile ring. *Undo is not available for the 'shuffle tile' or 'reroll tile' ring. If a tile in the 'normal tile' ring is removed with Undo, it is returned to the board. Shuffle Play a random tile on the board. Tiles are shuffled, removing them from the board and replacing them with a random tile. Tiles will not disappear. When tiles are shuffled, the 4 player tiles will be shuffled as well. Re-roll Play a random tile on the board. Draw random tiles from the current set that replace the tiles that have been removed. All tiles with the same number are removed at the same time.
