showed a new side of The Tigers. The follow-up, “They Love the Usual”, shows a band learning how to write and create without living in a studio. “They Love the Usual” showed a band finding a balance between creative and natural sound. This time around they embraced the natural aspects of making music, without Skrillex in the equation. They’re on a different path, and album tracks like “Poker Face,” “Million Dollars”, and “Fan Health” reflect that. Lyrics are still important to the band, but they don’t always write what they’re feeling. “East Coast”’s story is a reflection on someone who enjoys acting tough and playing a bad attitude, but in the end, he realizes that people are more important than a job or a car. “The Promised One” is an album track about overcoming adversity and realizing success is an even bigger struggle. “No, Not Me” was written from the perspective of someone who wishes they could have her life back. There’s a point
