January 13, 2565 M.E. - Horosoft Professional Edition by TRIPLE-S SOFTWARE. Versions: 4.0, 3.0 and 1.0. File name: HOROPROF 3.0.exe. - Do you have access? I asked. "Yes, everyone has who has access," he replied. We are all in the same position here. We are the "chosen ones". "Favorites" are those who have access to the program. I knew what he meant by access. Access is something that can be done with a computer. - Access? I asked. But I don't have access. - How do you get into it? - Am I coming in? "Yes, how do you type the name? - What is the name? "Name," he repeated. - Name. The name of your computer. "But..."
